

Green Waste

Green Waste is accepted at our Recycling Centres in Mungret, Newcastlewest & Kilmallock

Accepted

YES

- ✓ Grass cuttings
- ✓ Hedge/Shrub cuttings
- ✓ Fallen leaves
- ✓ Plant & Flower Heads

NOT Accepted

NO

- ✗ Plastic Bags
- ✗ Plastic of ANY kind
- ✗ Flower Pots
- ✗ Plastic Garden Furniture
- ✗ Stones/Gravel/Soil
- ✗ Large trees
- ✗ Metal

Help Us Avoid Green Waste Contamination

Ensure your green waste only contains items from the **YES** list above. NEVER include Plastic Bags.

Items from the **NO** list above can contaminate the ENTIRE Load and it cannot be composted. It then has to be sent to Landfill. These **NO** items can seriously damage the machinery and risk injuring the operators.

Why Not Compost At Home!

Garden and uncooked kitchen waste can be composted to produce soil enricher for your own garden—saving you money AND helping the environment at the same time.

Make your own compost bin or purchase one from Limerick County Council at the following Council Area Offices (open 9:30am-4:30pm, Monday to Friday):-

- Annacotty (061) 331544
- Croom (061) 397212
- Kilmallock (063) 98019

Compost bins are also available at the three recycling centres in Mungret, Kilmallock & Newcastlewest. *(Please see reverse side for Opening Hours)*

Compost Cones cost €30 and the Kitchen Caddy costs just €5!

FREE Compost for Public Use Available from Mungret Recycling Centre Only
Once the green waste has completed the composting process, the material is suitable for use as a soil conditioner. If mixed with 20% peat moss, it will provide enough nutrients for your plants.

Don't forget to pick up your FREE Compost next time you visit!

Further information on Home Composting

Visit www.limerickcoco.ie/environment and download the **FREE Mini-Guide**.

Information leaflets are available from Area Offices/Recycling Centres, or by contacting Limerick County Council Environment Section on (061) 496264.
